

Geometry/ Geometry – Pre-AP Supply List

These supplies will be left in the classroom:

1 (4 battery) pack of AAA batteries for graphing calculator.
1 box of Kleenex
1 package of graphing paper.

Supplies students will need to bring to class daily.

Notebook
Notebook paper
Pencils
Red pen
Eraser

Optional Supplies (students do not have to bring, but would be greatly appreciated)

Graphing Calculator (TI -84 or TI – 83 plus)
1 ream of paper.

Note to parents:

For the year 2009 -2010 school year, students will not be issued a graphing calculator. Teachers will have a class set for the students to use in the classroom, but they will not be allowed to take home. It is highly recommended, but not required, for each student to purchase their own personal graphing calculator (TI – 84). Consider this purchase an investment. This calculator will not only benefit the student in this class but throughout high school and college.
